Dear Classmates:

This evening we are celebrating the 25th anniversary of our graduation from High School. As we grow older our thoughts turn backward and more frequently we find ourselves thinking of the school friends we have lost contact with in the busy intervening years.

We are going to do everything possible to make this a real home-coming for each one - and while there are some that cannot be with us - our thoughts will be with them.

We have compiled this booklet for YOU. We hope it will be the means of bringing back fond memories of the past and the beginning of new friendships of the future.

We have tried to make this a reunion never to be forgotten, and hope to instill in each one the desire for a repeat performance in the not too distant future.

The Alumni Committee

Dear Sir,

I have the honor to acknowledge the receipt of your letter of the 11th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

I am, Sir, very respectfully,
Your obedient servant,

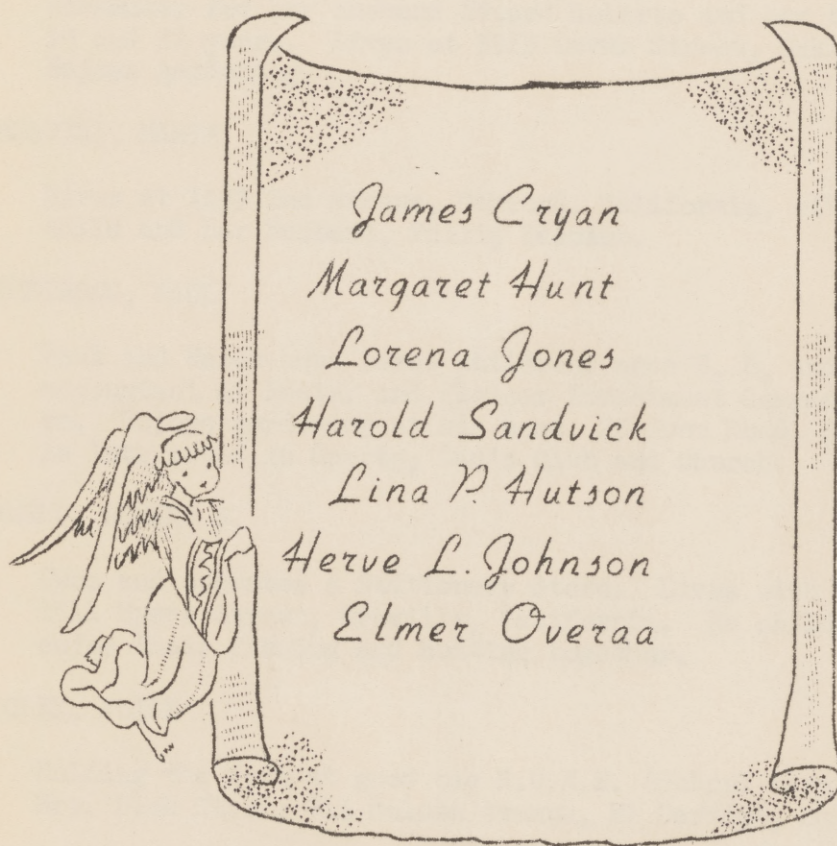

J. H. [Signature]

Enclosed for you are the documents referred to in my letter of the 11th inst.

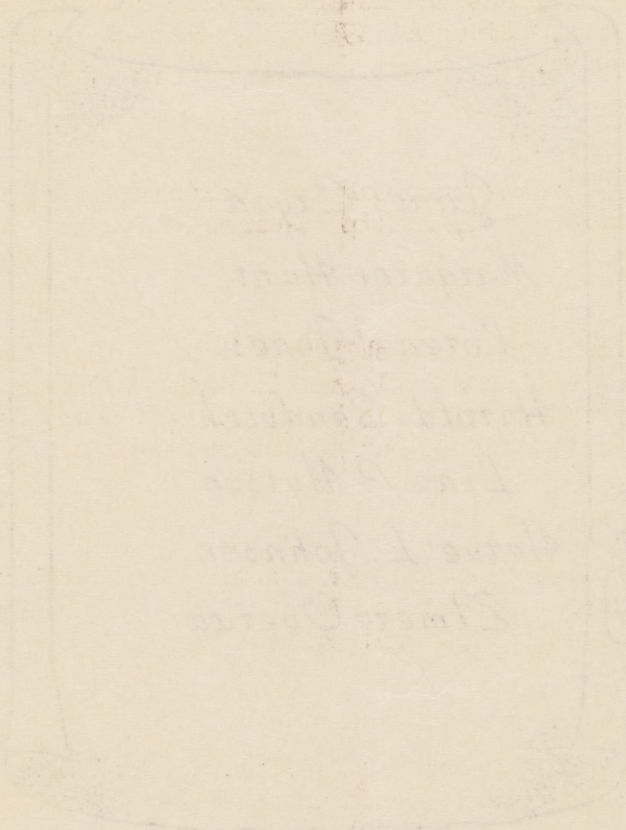

I am, Sir, very respectfully,
Your obedient servant,

BONHAM, HARRY L.

Harry married Helen Gately and now there are three more Bonhams', 13, 11, and 8½. Home is 4849 Cypress Avenue, El Cerrito. The Standard Oil Company has Harry on it's personnel file.

BRECKO, HELEN

She calls Robert Walker (sorry, not the movie actor) hubby. Besides owning and managing their retail shoe store Helen is active in P.T.A., is a Cub Scout Den Mother and a Major on the Community Chest drive. Her 8 year old offspring and A.D.A.V. Puzzles help to make her hours at home interesting.

CALDWELL, ROBERT W.

Robert is a Research Chemist with the Anderson Smith Milling Company in San Francisco now, but it looks like he was very busy during the last war. He is a Commander in the U. S. Naval Reserve, holder of the Silver Star Medal and proudly displays the Navy Commendation Ribbon. His hobby of photography comes in handy taking pictures of his son, 18, a freshman at U. C. and his 16 year old daughter. Alma (Clark), his wife, keeps the home fires burning at 3929 Nevin Avenue, Richmond, Calif.

CARLSEN, IRENE

Mrs. Clifton R. Skinner now, resides at 318 Aragon Blvd., San Mateo, California, with her three children, ages 15, 10, and 6.

CARLSON, HARRY

Dr. Carlson, Orthodontist, and Marjorie Joyce Carlson, his wife, have a joint hobby, raising their children of 7½, 6, 5, 2, and 1. Harry's other hobby of photography gives him plenty of opportunity for pictures of the children and their home at 1338 Teneighth Way, Sacramento, Calif.

CARR, WILMA

Wilma and her husband, George Bennett, think their 5½ year old son, Jeff, is quite some boy. At 1013 Esther Drive, Concord, California, Wilma excels in her sewing and painting.

CECIL, CHARLES R.

Charlie thinks he has started rather late. His children are 8, 6, and 4. (Wait until he finds out how slow some of the others have been.) He slaves away at the Standard Oil Company and then goes home to Ara Lee at 102 Jeffrey Street, Bakersfield, California, to enjoy his music - loud and lousey - he says.

CERIDONO, LENA

Private Secretary now. Receives all mail at 1155 Hopkins Street, Berkeley, California, addressed to Mrs. Lena Armstrong.

CRIGLER, RICHARD

If you would like a new Hudson see Dick at the W. W. Anderson Company, 4330 E. 14th Street, Oakland, Calif. His daughter, Shirley will be a blushing bride at 18. Jane is being kept pretty busy at 15275 Norton Street, San Lorenzo, preparing for the wedding. Dick is up in the air too. He was a combat pilot in the Navy during the last war and has kept up with flying so he can get to his ranch in Madera County.

DAHL, MARGUERITE

In the Pence River County, B.C. Canada, Marguerite and her husband, A. C. Sawdy, farm 320 acres in wheat, alfalfa, oats, barley, flax, clover, and are raising 100 pigs. If you travel as far as Dawson Creek, B. C. drive on 45 miles more to Clayhurst and visit them.

DAVIS, ESTON

Does a pretty fine job as Assistant Manager, American Trust Company, Matson Building Office, San Francisco, Calif. Ethel Koses Davis is doing right well at 609 Amador Street, Richmond, with the youngsters, 11 and 9. Like all Bankers, Eston likes golf.

DeWOODY, GERALDINE

"Jerry" is the girl to go to when you want to find that "school girl" look. Beauticians help you to forget that it is 25 years since you graduated from school. Her daughter of 17 is a good example of what these gals can do. For appointments call Mrs. Ed Guthrie, 220 - 14th Street, Richmond, Calif., BEacon 2- 7215.

DOMMES, MILDRED

Address now 598 Waite Ave., Sunnyvale, California, but I think a little bird whispered that Horace Thomson was going to take his wife and two sons, James, 17, and George, 12, to the Hawaiian Islands soon.

DONEY, JACK

Office Manager for International Minerals and Chemical Company. When Julia Paisley Doney has everything in order at 2018 Glen Avenue, San Jose, Calif., and the 13 year old youngster isn't in school they enjoy Jack's hobby of outboard motor boating with him.

DYER, LOWELL D.

Lowell, 16, and Nancy, 13, keep things humming around 615 - 13th Street, Richmond, Calif., for Dorothy (Weisgerber) and "Rowdy". He's the one to go to for all those fancy extras you need for your car. If you don't have the car he can show you all the latest models.

EHELEBEN, ELEANOR

From 1932 to 1941 Eleanor was doing fine with our little Nells and Joes in the Richmond Schools, then the lure of Hollywood called her. Since 1943 she has been trying to educate the young'uns in the Los Angeles Schools. Her husband, Malcolm C. Williams, works at Lockheed Aircraft maybe that is why she moved to 4414 Moorpark Way, North Hollywood, Calif. She likes it there.

EICHAR, JOSEPH

Has kept busy for 12 years as a Civil Engineer with the Federal Government Service. 166 Mazie Drive, Concord, California, is home for Joe and Janet and the 9 and 6 year old youngsters.

EVANS, MONA

A girl of science - an Electrologist. Resides in single bliss at 341 Waller Street, San Francisco, Calif.

FENIX, ROBERT

A busy man. Financial Vice-President and Business Manager of Willamette University at Salem, Oregon. Professor of Business Administration, Vice-President of the Chamber of Commerce and Secretary of the Rotary Club. Still has had time to marry Opal Berg and have three new students (all girls) for the University. If you can't catch him at the University, try 2000 S. High Street, Salem, Oregon.

FERRANDO, ZOE

Can put her hobby of Needlecraft to good use now while recuperating, at 2238 Greenwich Street, San Francisco, Calif., from recent surgery. Her husband, Hugo Zuacchia, or one of her two children, would be very happy to relay any messages to her.

FRANK, CATHERINE

Kay lost her husband, Lloyd E. Albright, but with the help of 19 year old Lloyd, Jr., who, incidentally graduated from R.U.H.S. in 1951, has kept the pot boiling at 4430 Santa Rita Road, El Sobrante, California, for the 14 and 10 year old by working at the U. C., Berkeley Campus, as a Telegrapher. After a big day in the garden she likes a good swim.

FRATES, ELEANOR

With the high cost of living Eleanor decided that owning a grocery store would make things a little easier so she married George Regalia, a grocer. 675 - 6th Street, Richmond, Calif., would be a good place to visit.

FREEMAN, CHARLOTTE

Mr. and Mrs. Donald J. Rowe, 4676 Reinhardt Drive, Oakland, California, decided that California would be a good place to raise 5 year old Diana after spending 12 years in the East and Middle West. Charlotte's outside activities includes working with the Girl Scouts.

GIOVANINI, JOE

His hobby is flower gardening but we bet Thelma has something to do with the garden at 676 - 30th Street, Richmond, Calif. Maybe the 14 year old shares in it. Joe is a Technical Advisor at work and probably practises at home.

GOLDSWORTHY, BERNICE

Being a bookkeeper is a full time job for Bernice. She is still enjoying her single bliss at 456 - 8th Street, Richmond, Calif. Her leisure time is devoted to her gardening.

GORDON, GEORGE R.

A shy violet. He says he is an Attorney. The office door reads "Carlson-Collins-Gordon and Bold". George is very active in civic and club affairs. We see George's picture in the paper quite often but Lucinda and the new one month old have only made small type so far. You may send your congratulations to 610 Court Street, Martinez, Calif.

GREGG, NORMAN A.

September 24, 1951 marked a big day for Norm. He took office as a Judge of the Superior Court then. Maryan is as proud of him as she is of the 10, 8, and 2 that hold court at 527 - 27th Street, Richmond, Calif. Congratulations, Norman.

GUFFANTI, MARY

A baby-sitter is needed for a 9 year old at 2835 Bissell Avenue, Richmond, Calif., on the 13th of October. Mr. and Mrs. James McCann will be dining out.

HARDESTY, JAMES H.

Here's a man with foresight. He looked to the future and decided a son was what he needed to farm those 70 acres in his spare time. When the farm work is done a day of hunting is mighty nice. As General Manager of McLean's Hardwood Floor and Linoleum Company in Stockton we don't believe Jimmy has much spare time and then of course he has to spend some time with Inga and the daughter. Their mailing address is Rte. 1, Box 24, Lathrop, California.

HEAD, RAYMOND S.

Catherine takes care of things at 2611 Grant Avenue, Richmond, Calif., including the 3 and 5 year olds while Ray is out of town as Highway Engineer.

HIRTH, JOSEPH L.

His work as a carpenter will come in handy one of these days when that 19 year old decides to get married. Joe and Mary are hoping it won't be too soon. There is plenty of room at 2220 Humboldt Street, Richmond, Calif., for all three.

HOLLAND, LAWRENCE

Myers doesn't belong under the H's but Treva married Lawrence, and since we like to keep all families intact we'll put her here with him and their 12 year old daughter. Treva keeps busy all day as Office Manager and Lawrence as an Accountant, but they both like it best when they are home at 99 Sacramento Street, Placerville, Calif., with their youngster.

HOLLENBAUGH, ROSE

Rose says our get-together sounds like fun but look at the fun she has been having right along travelling through the Latin-American countries, teaching in Mexico and now at the City College of San Francisco. Ramon Avina thinks Rose makes a lovely hostess at 486 Throckmorton Avenue, Mill Valley, Calif. Rose says she hasn't been married long enough to have a family - only twenty odd years.

HOOKE, IRIS

According to her questionnaire she "Neither toils nor labors" but we think Walter Norris and the 16 and 15 year olds would tell us different. 680 W Monterey Avenue, Stockton, Calif., is home for them.

HOPKINS, DOLLY

The Golden girl is Dolly and Robert's 24 year old daughter. 444 Palos Verdes Parkway, Redondo Beach, Calif., is the Golden home.

HUNT, EDITH

Graduated from Business College then worked in San Francisco but when Lloyd E. Shirling came along she decided to change professions. Is mother at 945 Yorkshire Drive, Lafayette, Calif., to the 16 year old daughter and the 14 year old son.

HUNT, MURIEL

Robert Christensen read the slogan "Hunt For the Best" and decided that that was just what Muriel was. Camela (9) and Alan (7) agree with him. Home, 200 Murdock Street, Richmond, Calif., comes first with Muriel, but she still has time for club work, swimming and sewing.

HUTCHISON, DAVID W.

Traveling is Dave's hobby, but why he had to stop when he got so far away as Kentucky we'll never know. Maybe Barbara and 10 year old Gay could tell us. While selling real estate Dave decided 4505 Grandview, Shively was a good buy.

It was a conversation with me in 1901, and the first time that
I had ever heard of the "Bible" in the United States.
The first time I heard of the "Bible" in the United States.

JACKSON, FRANKE

Franke takes all her problems to her attorney, Vance Porlier. He's the one that can lay down the law to the 14 and 10 year old daughters and the 7 year old son. You can find her dusting the furniture at 611 Amador Street, Richmond, Calif.

JAMESON, HOWARD

Edna and Howard are celebrating their 21st wedding anniversary soon. While they are on their trip the 17 year old daughter will do the chores at 1001 Grandview Avenue, Martinez, Calif., and the 14 year old son will manage Jameson's Men's Clothing Shop in Martinez. Maybe Howard will be able to improve his golf while away.

JOHNS, EDNA

Grandmere and Grandpere Albert Simon are as proud of the two grandchildren as they are of their two children, 23 and 21. Clerking in the office of the Electrical Worker's Union office is fun, but when she can get her family all together at 835 - 30th Street, Richmond, Calif., Edna really enjoys herself.

JOHNSON, CLARENCE

Golf gives Clarence an opportunity to "tee-off" after selling neckties to women all day. Does Clarence let Kathryn pick out his? We wonder if the 15 and 11 year olds at home, 2364 Alva Street, El Cerrito, Calif., wear neckties or hair ribbons.

JOHNSON, FLEETA

Albert Rowe graduated from R.U.H.S. in 1923 but waited for Fleeta to finish in '26. 150 Baywood Avenue, Palo Alto, Calif., is graced by their two daughters, 24 and 22.

JOHNSON, OTTO

Bowling and Swimming have developed the muscles needed for swinging the paint brush at the Standard Oil Company. Birda Jane lets him practise on their home at 148 First Street, Richmond, Calif.

JOHNSTON, GEORGE H.

The stork dropped a delayed bundle at 2700 Tulare Street, Richmond, Calif., not too long ago much to the surprise of Dorothy and George. The 13 and 2 year olds hope he didn't make a mistake. They won't let him take it back. Since George can write his own insurance he doesn't worry while yachting.

JONES, MAURINE

Her hobby is flying. She must have learned at home, for with two girls and two boys, 22, 20, 19, and 7 and three grandchildren she wouldn't have time to keep her feet on the ground. Robert Miller, Jr., furnished the house at 5328 Rosalind Ave., Richmond, Calif., and Maurine staffed it.

JOYNER, RUTH

Ted Searle, 16, and Barbara Searle, 11, are two youngsters that don't have to be urged to go to Church. They like to hear their dad, Rev. Henry Searle at the First Christian Church of Burbank. Ruth is busy at 1029 E. Cypress Avenue, Burbank, Calif., but still finds time to be a part-time teacher of Christian Education and take care of the garden.

JUDKINS, PERRY W.

No time-clocks for him, he's his own boss at Richmond Engineering Company. Perry is glad that Betty (22) and Belva (18) have followed in his footsteps and graduated from R.U.H.S. Wonder what 20 year old Bill did? Does he take Alice hunting and fishing with him, or does he make her wait for him at 338 So. 23rd Street, Richmond, Calif.?

KERLIN, ELSIE

Her first husband passed away in 1943. Her job as bookkeeper in her brother's grocery store in Berkeley still left her time for gardening and needlework but something else was lacking. After all, those 20 and 19 year olds wouldn't be with her always so when Robert Alter proposed, she accepted. You'll find them at 2337 Merritt Avenue, San Pablo, Calif.

KERLIN, HARRY

The Varsity Market in Berkeley is Harry's baby. He lets Evelyn baby the 10 year old son and 8 year old daughter at home at RFD Box 1680, Road 17, San Pablo, Calif. The Elks Club and bowling take care of any leisure time he might have.

KETELHUT, EDITH

Mr. and Mrs. Edwin Randolph at home, 828 Curtis Street, Albany 6, California. If you visit during the day Edith will probably be in the garden.

KROGER, HENRY M.

Mare Island Naval Shipyard, Planning and Estimating Specialist. Ann (Andreasen) and their 18 year old daughter make life interesting for him at 910 El Dorado Street, Vallejo, Calif.

LeGAULT, DOROTHY

Copper and Leather handicraft, trout fly tying, gardening, and a 4½ year old son keep Dorothy in a whirl, but when school lets out and Karl Cooperrider drives in at 6158 Thornhill Drive, Oakland, Calif., Dorothy is all serene.

LEMLEY, MILDRED

Mildred doesn't use her R.N. any longer. Sally, 17, and the resort she and Bill (William C. Straub) own keep her busy enough. Clearlake Highlands is all the address you need for her.

LINEBAUGH, IDRYS

We aren't certain if Idrys is the Clerk on the State Board of Equalization or her husband, George Packard, but we do know Idrys is active in Lodge work, likes photography and has a 13 year old daughter and resides at 1175 - 37th Street, Sacramento, Calif.

LOUSTALOT, PETER E.

Agnes (Axelsen) engineers the 12 and 5 year olds at 775 - 15th Street, Richmond, Calif., while Peter is at the Power House.

LOVELESS, ROY

Roy grows orchids at his home, 2208 Rosedale Avenue, Oakland, Calif., but his prize is Rose. He's a pharmacist when not with his Rose and orchids.

McCOY, MARJORIE

Joyce, 16 $\frac{1}{2}$, and Joan, 14 $\frac{1}{2}$, keep Marjorie busy at 835 Ramona Avenue, Albany, Calif. Victor B. McClary is Vice-President of the Oakland Stamp Club.

McCRACKEN, DENZELL L.

Hunting, fishing, radio and television work keep Mac busy when he isn't at the Standard Oil Company. Maple (Baird) has a job keeping 7 $\frac{1}{2}$ year old Dennis Bard out of the radio parts at 1750 Rheem Avenue, Richmond, Calif.

McDONOUGH, EDWARD P.

If the mean loan sharks foreclose your mortgage on your home see Ed at the Richmond Housing Authority. He is Supervisor of Occupancy and would be very happy to assist you in getting located. Theresa (Fracchia) is located at 1316 Liberty Street, El Cerrito, Calif., with the youngsters, 10 and 8 years of age. Ed forgets his worries when he has the opportunity to fish, hunt or go boating.

McGUFFIN, DOROTHY

Dorothy says NO grandchildren but wait until Jean 12 $\frac{1}{2}$ and Barbara 7 $\frac{1}{2}$ get to be big ladies, she'll change her mind. 345 Fawn Drive, San Anselmo, Calif., is going to be a lonesome place for her and Bob Levy when those daughters get married.

McKEE, IRVING

Mrs. Frances (Robertson) McKee, 3739 Second Avenue, Sacramento, Calif., is very proud of the author of "Ben-Hur" Wallace (U. of Calif. Press, 1947) and numerous magazine articles. If you ever visit the Sacramento State College, stop in and say hell-o to Irving. He is Associate Professor of English there. He enjoys reading others writings and writing for others reading.

MAC DONALD, ELIZABETH

If you need a telephone call Betty Uelman at the P. T. & T. office in Richmond. Betty and Louis have done a nice job on their garden at 544 - 19th Street, Richmond, Calif.

MAC KINNON, JEAN

From all indications those Bernes boys (14 and 16) are going to be "Joiners" like Jean and August. Community Chest, Red Cross, "Y", etc., keep Jean away from 2807 Roosevelt Avenue, Richmond, Calif., a good part of the time.

MALIANNI, ESTHER

What could be better than having a pretty nurse hold your hand when your spirits are low. I don't know her telephone number, but her address is 919 Sutter Street, San Francisco, Calif.

MANN, MARY

The handcraft and music at 1070 May Road, Richmond, Calif., are Mary's but Marja (9) and Kerry (4) are Jacks and Marys. The Girl Scouts appreciate the hours Mrs. Fenix devotes to their activities.

MASCHIO, CECIL

The Berkeley Steel Construction Company likes the work their Foreman does. He doesn't say what he does at 1215 Chanslor Avenue, Richmond, Calif.

MASCHIO, RITA

Airplane spotting for Civil Defense and Eastern Star activities take care of her evenings. Office work for General Motors in Oakland fills her need for daytime activities.

MAYFIELD, EDNA

23 year old Ronald thinks there is no one quite as grand as Mr. and Mrs. Randolph Delmore. 434 - 29th Street, Richmond, Calif., is ample proof of Edna's ability as Color Consultant and Interior Decorator. Edna likes to travel and has a wonderful collection of pictures she has taken of the interesting places she has visited. Edna also likes delving into the past. Be careful, she may turn up an ancestor of yours that was a horse thief.

MELDRUM, IRENE

It's bad enough to have to dust the furniture in one house but to have to do it in a furniture store is too much so Irene puts her 12 and 18 year olds to work. Of course, Frank helps. The Carrier home at 57 W. Windsor Avenue, Phoenix, Arizona, is a wonderful place to relax in after a hard day's work.

CONFIDENTIAL

MILLS, LILLIAN

The Rahe of sunshine at 444 - 30th Street, Richmond, Calif., says Leon. A full-time volunteer as Chairman of Services Groups of the local Chapter of the American Red Cross. Polishing odd rocks, leathercraft, finger painting and shell work are her pleasures.

MILNES, WILMA

Gerhard Jan van Zyll de Jong is her husband's name, but the telephone for 2131 Oak Street, Concord, Calif., is listed under G. J. de Jong in case you would like to call her for any club affairs or civic activities. Don't be surprised if either of her two children answer.

MOE, LAWRENCE D.

He said "No Moe" so the 3½ year old is the only one to help Lawrence clean his fishing poles and golf clubs at 905 Academy Street, Tulare, Calif. We wonder if his friend, Pat Nelson, helps him manage the J.C. Penny store in Tulare.

MOORE, WALTER M.

Those 20 year endowment policies with the New York Life Insurance Company that Edna and Walter have on the 15 and 19 year olds will be paying off soon. Walter will really have something to sing about then. If you play bridge at 4012 Barrett Avenue, Richmond, Calif., be careful, they may raise the bid on you.

MORAN, MURIEL

Harry Spires wasn't one of her pupils, but he did take her out of school. He gave her a big garden at 16 Juno Road, Mill Valley, Calif., so she could practise her flower arranging while the 10 and 11½ year olds were in school.

MYERS, VELMA

There is one Young that is no longer Young, but has a young one 19 mos. young, which makes Velma and William young grandparents. There is another Young who isn't too young, but how long she will be Young we can't say. If you want to stay young, 304 Bernard Avenue, Richland, Washington, sounds like a good place to go.

NELSON, ANITA

The Gelsvik library at 2245 Prince Street, Berkeley, Calif., has all the books Ronald and Anita like to read to their 10 and 12 year olds.

NICOLI, LAURA

She wouldn't sell her home at 47 Avondale Avenue, Redwood City, Calif., even if Anthony Gianfermo is a good Broker, since she put her garden in. Her chickens (ceramic) are not allowed in there but her chicks, Laurel, Peter and Arthur are.

OSBORN, INEZ

She registers as Mrs. Vernon D. Maxson, 835 E. 95th Street, Los Angeles, Calif., for voting, but the 12 year old will have to wait a few more years. The other nurses call her Inez.

PEDROTTI, STEPHEN B.

As soon as Steve finishes his eight hours as Assistant Cashier, at the American Trust he grabs his golf bag and heads for the greens, leaving Margaret (Wright) at 2157 A - 35th Street, Sacramento, Calif., with her knitting and sewing.

PETERSON, ETHEL

She changed the spelling of her first name when Donald Gallant changed her last. Dona, 22, and Audre, 20, haven't changed their names yet. She changed her vocation and is now a Secretary but she hasn't changed her address from 30 - 17th Street, Richmond, Calif. Ethyle will have to changed her ice-skates and skis if she doesn't practise more.

PIERCE, GWENDOLYN

As Secretary to a banker Mrs. Elmer can't play golf during office hours but she and Raymond can putt around the living room at 3128 Barrett Ave., Richmond, Calif., whenever they like.

POULSEN, ALEX

Alex sold Joyce on the idea of living at 69 Van Ripper Lane, Orinda, Calif., and raising the 7 year old.

POULSEN, ESTHER

Esther isn't too young to be an R.N. but Andrew likes it best when she is Mrs. Young with the 14 and 10½ year old Youngs. Any circulars on handwork, any kind, may be mailed to P. O. Box 122, Lovelock, Nevada.

POWELL, MARGARET

Clarence Erickson does all the Interior Decorating at 615 - 24th Street, Richmond, Calif., and 17 year old Carol Mae has the prettiest room of all. Margaret does her knitting on Monday evening while Clarence takes care of his duties as Councilman.

QUADRES, EMANUEL

If you find a piece missing from your Ford parts kit check with him. Emanuel was probably thinking then of the pictures he was going to take of his dog on the porch at 538 - 19th Street, Richmond, Calif.

QUINLEY, GERALDINE

Charles and 17 year old William Olsen think 1554 Acton Street, Berkeley, Calif., is pretty swell as it is now, but wait until Geraldine completes her Interior Decorating course. Music hath charm to calm the harried Public Accountant.

READ, HOWARD W.

Mae (Berk) doesn't have to worry if the 14 year old daughter or the 7 year old son take the appliances apart at 2507 Edwards Avenue, El Cerrito, Calif., because Howard has lots of practise at the Standard Oil Company, as Head Mechanic and Electrician, and can put them back together in nothing flat.

REGELLO, LAWRENCE R.

Marian (Reeb) can match any of the flower scents in the garden at 757 - 32nd Street, Richmond, Calif., with the perfumes Lawrence gives her from their stock at the Adobe Drug Company. Lawrence holds one of the Chairs for the City of San Pablo Housing Authority.

REINECKER, ALBERT

The hobby of motor boat racing has brought world recognition to Albert. He is the National and Pacific Coast Champion and holds the world's record. Marguerite (Erickson) doesn't let the 2½ or 12 year olds touch those cups she keeps all shined up at 2381 Gaynor Avenue, Richmond, Calif. His job as Maintenance Superintendent for The Independent Iron Works is just a sideline.

REINECKER, ELSA

Gene and the 3 year old waited patiently at 1510 Navellier Street, El Cerrito, Calif., for Mrs. Schnaitmann to bring the new son home in March of 1951. Elsa isn't playing the organ at the church now but you can hear her singing at home any day.

RICHMOND, ARDIS

Douglas, 17, and William, 16, think it's wonderful that Milton owns Fenton's Creamery. They can always take their girl friends there after the show for a milkshake, or to 4149 Howe Street in Oakland where Mom is certain to have something special.

ROBERTO, EMMA

Probably taught some of our young'uns in her eleven years at Woodrow Wilson School. She and Joe aren't worrying about 12½ year old Robert, they know he is getting the best by attending a Richmond school. They haven't changed the name of the store at 1434 Bissell Avenue, Richmond, from Roberto's to Lavezzi's yet.

ROE, GYNETH

Rt. 1, Box 241-T, Grass Valley, Calif., was the scene of a happy occasion on the 6th of September, the 26th wedding anniversary of Gyneth and Mark. The Hoover girls, 24 and 19, were in attendance. Gyneth took it in her stride, calmly knitting for the granddaughter and (she hoped) the grandson to be.

SANDVICK, MARGARET

The schools in Monterey kept Mrs. Adams from Richmond for 12 years but she finally came back home in 1942. She is teaching at Stege School now but the 14 year old goes to school in Oakland. You can find Margaret with Vincent at 564 Haddon Road, Oakland, Calif.

SANTAELLA, TONY

The doctor is going to do some fancy painting on Tony. Viola (Allen) doesn't let the 12 year old do any painting at 142 Dunham, Hercules, Calif., except in paint books.

SCANLON, GENEVIEVE

Roy doesn't get home to 1089 - 57th Street, Oakland, Calif., until late so we won't be seeing the Sorensens until late in the evening.

SCARLETT, FERN

325 Eye Street, Fresno, Calif., is a lonesome place for Fern since Mr. Adams passed away in June, 1951, but she is overcoming her lonesomeness by spending her daytime hours teaching handicapped children.

SCHOCK, J. MARVIN

Lois and Marv believe an outdoor life is best for their son (13) so when Marv was offered the position as Forest Engineer at Tahoe National Forest he jumped at the chance. You don't find them at 800 Lindley, Nevada City, Calif., very often. Ah - the country life for me.

SCHULTZ, LEONA

Arthur Silvera would like you to drop in at 1320 Barrett Avenue, Richmond, Calif., to meet the missus and their son and daughter, 16 and 13.

SHAW, ELINOR

Telephone service has been disconnected at 543 $\frac{1}{2}$ - 25th Street, Oakland, Calif., while the tenant is on vacation.

SMITH, LAURA

Mr. and Mrs. Don J. Boucher of 1109 - 53rd Street, Oakland, Calif., are travelling to New York. The golf bags are safely stowed away.

SNODGRASS, KATHRYN

The weaving loom at 644 No. 31st Street, Richmond, Calif., belongs to Kay. We wonder if she made those beautiful drapes in the office of Tinning and DeLap. A busy gal in civic affairs when her secretarial duties are done.

SOBY, RUTH

"Change the name but not the letter, change for worse, not for better", hasn't worked out that way for Ruth. Frank Stehl changed the name and home is much better at 348 So. 14th Street, Apt 1-A, Richmond, Calif., with the 10 and 7 year olds there.

SPIERSCH, WILLARD J.

After a hard day as Metalsmith Supervisor of Aviation, Jean (Moyle) and Willard make the rafters of 901 Delmar, Alameda, Calif., ring with the music of their square dancing. Of course, the 19, 16 and 11 year olds join in.

STANLEY, CHESTER

His boat is in tip-top shape anytime Iola (Sorenson) and the two kids (15 and 10) want him to take them fishing. Looking at the bay from the top of the Standard Oil Company Tank Farm puts the idea in their minds.

STEVENSON, BRADFORD L.

"Conduct becoming an officer and a gentlemen" says Helen (Sinclair), 33 Public Square, Cleveland 13, Ohio, of Major Stevenson. Pitney-Bowes, Inc., are hoping the Army doesn't call back their Regional Sales Manager

SWANSON, HAROLD

When Margaret calls the P. G. and E. Supervisor it isn't always to complain of the service at 788 Colusa Avenue, El Cerrito, Calif. She may want to tell him something their 14 year old son did.

THOMPSON, LOUIS B.

Viola (Flynn) knows he has no legitimate excuse for being late for dinner at 826 Cerrito Street, Albany, Calif., his watches are all perfectly timed. The 11 and 13½ year olds aren't late.

VALENTINE, RITA

The DeBarrows home and garden at 462 - 8th Street, Richmond, Calif., is close for Rita for work at the Health Center. We don't know if she named the 19 year old after Clarence.

VILLALOBES, PAUL

Marie and the 21year old Alice are happy when the Machine Shop Foreman arrives at 3249 Bone Street, Oakland, Calif. Dinner can be eaten and the evening fun start.

WALGREN, FLORENCE

Mrs. Campbell devotes her time between her home, 120 Parnassus Avenue, San Francisco, Calif., and her job as Fire Insurance underwriter. When the California sun shines you can find her on the tennis court or at the airfield..

WATSON, HERBERT

Here's one person that will see to it that Jane and the youngsters, 16 and 12, will have perfect reception on their T. V. set at 1024 Arlington, El Cerrito, Calif. The City of Richmond is quite proud of their Radio Engineer.

WEISGERBER, DOROTHY

Met a guy named Dyer so you will find her under the Ds.

WESTFALL, ELBE W.

Won't tell us if his hobby is that eight year old boy or his home at 2026 E. 28th Street, Oakland, Calif. It can't be his job as Insurance Broker. It must be Lola.

WILSON, RELDA

Just "living" with the boys, 3 and 8½, and Tony at 338 Ridge Road, San Carlos, Calif., is all it takes to make Mrs. Kahmann happy.

WHISLER, FRANCES

Will certainly be at the party with Clare. The 14 and 17 year old Thomas youngsters are going to enjoy the evening at 3631 Barrett Avenue, Richmond, Calif., with their friends.

WOOD, GERTRUDE

2 year old Carolyn Lee is the first Stone grandchild presented to Gertrude and Harris by their 26 year old son. The 16 year old daughter at 1609 Sacramento Street, Berkeley, Calif., likes to meet mother at Hink's. They have beautiful knitted dresses there, but, not quite as nice as mother makes.

WOOD, ROYCE R.

A day of golf with Cathleen, away from the P. G. and E. and 4045 Lyman Road, Oakland, Calif., makes a new man of him.

BARBIERI, ERNEST

Hasn't had time to be a grandpa yet. The baby (6) and his job as Director of Volunteer Services at the Veteran's Administration take up most of his time. Catherine is content to let things remain as they are at 1025 Lemm Avenue, Menlo Park, Calif., for a while.

decided 2324 was just the spot for 14 year old Earl and 8 year old

Oakland with the comptometer, but the neighbors will tell you that
she is very quiet at 5233 Genoa Street, Oakland, Calif.
